

Information Station—Truly Outstanding Friendly Service

“Excuse me, where can I find something tasty?” “Excuse me, what are the specialty products of this region?” If you have any question during your journey in Taiwan, come to the Information Station and you may be pleasantly surprised at their warm hospitality!

To help travelers with their journey, the Taiwan Tourism Bureau collaborates with various stores and service providers throughout Taiwan to establish the “Information Station” system that helps visitors in Taiwan.

You can spot an “Information Station” by its yellow, round “Information Station” sign with black letters. Other than maps and travel information, the station also has a Wi-Fi hotspot and QR codes that guide visitors to a variety of cloud-based travel services.

Travelers are able to experience “local characteristics” and “hospitality” by visiting any information station. The aim of establishing this information station system is to encourage visitors to come back so that they can continue to enjoy the beauty of Taiwan and the friendliness from the local people. Come on, don't be shy; everyone is invited to make inquiries at the “Information Station”!
